Team number is determined at Coaches meeting by drawing numbers. Coaches will assign numbers 1, 2, or 3 to each of his team members which determines their order of judging. (See table, page 1.) The contestant's number will be composed of the team number and the coach's assigned number. For instance, Team member 1 of Team 6 will have 61 for a contestant's number, and Team member 3 of Team 13 will have 133 for his number.

Contestants will always rotate from right to left. Cards for reporting your placings and decisions will be handed to you in the order that you will use them. They will be numbered consecutively. Please follow these in the order that they are given to you.

Each contestant will have 12 minutes to judge each class and make his placing. During the first two minutes of each period, all birds must be left in the coops. Monitors will give you a one minute warning and call time when it is time for you to move to the next ring.

Forty-five minutes will be allotted for grading the eggs and the same amount of time for the dressed poultry grading. Thirty minutes will be allotted for the R.O.P. selection.

Be sure to circle the ring number (it will serve as a check that you are judging the correct ring); write in your name and your team on each card you turn in; and be ready to shift promptly on signal from monitor.

The Contest will be made up as follows:

- Ring 1 - White Leghorn production
- Ring 2 - White Rock "
- Ring 3 - White Leghorn "
- Ring 4 - White Rock "
- Ring 5 - New Hampshire "

- *Ring 6 - White Leghorn Males Exhibition
- *Ring 7 - White Rock females "
- Ring 8 - Rhode Island Red males "
- Ring 9 - Live market fowl
- Ring 10- Live market Roasters

* Not to be removed from cages.

Disqualification not to be considered in judging exhibition rings.

Egg Grading:

50 eggs graded as A,B,C, or rejects according to U.S. Grades. (45 min.)

Members of each team will grade the same lot of eggs. Please remember that rough handling of the eggs will penalize your own teammates.

R.O.P. Section:

20 birds, males or females, White Rocks, Barred Rocks, White Leghorns and/or New Hampshire will make up the R.O.P. Selection Division.
Disqualifications to be considered in this section. (30 minutes)

Dressed Poultry:

40 dressed birds, 20 fowl and 20 roasters, to be graded according to U.S. Grades. (45 minutes)

The dressed market poultry should not be handled except by holding the shanks or the head wrappers.

Banquet:

You are expected to attend the banquet, Hamilton Hotel, 6:30 P.M. December 1. Results will be announced and the awards made at that time. There will be plenty of noise, fun, singing, enthusiasm, etc.--Come prepared for a good time.

Tour:

A splendid tour has been arranged for Tuesday morning, leaving Hotel Chicagoan promptly at 7:00 A.M. Be sure to attend. You will have a good luncheon at 11:00 A.M. Busses will return you to the Fulton Market Cold Storage Plant for the afternoon's judging.

Samples of cards for reporting your placings and decisions have been sent to your coach. See him for samples.

Intercollegiate Poultry Judging Contest

November 29, 1948 Rose Room, Hotel Chicagoan.

Meeting called to order at 9 p.m. by Dr. E.E.Schnetzler, contest manager.

The minutes of the coaches meeting held at Fort Collins, Colorado June 25, 1948 were read.

Dr. Schnetzler announced that eighty single wire exhibition coops obtained through the courtesy of Dr. Sloan of Minnesota were paid for by the I.B.C.A., and are now contest property.

It was moved by Scott to allow fourteen minutes of judging time for each five bird ring in the 1948 contest. Motion passed.

A motion by Kinder was passed recommending that the 1948 grading committee correct egg and dressed market cards as follows: each egg to count four points with a deduction of one point^{made}/for displacing an egg one grade except that when the line between C grade and loss is crossed, a deduction of two points be made. In dressed poultry each bird to count five points with a one point deduction for displacing a bird a grade except that when the line between C grade and reject is crossed incorrectly, a deduction of three points be made.

A motion by Scott was passed recommending that government regulations relative to importance of the following items in dressed grading be adhered to: dirty feet, dirty vents, garter feathers, feed in the crop and improperly removed crops.

Moved by Penquite and passed that the use of head wraps on dressed birds be not required for the current contest.

T.H.Canfield, Secretary.

Meeting of coaches and representatives of colleges interested in the 1948, Chicago Intercollegiate Poultry Judging Contest. Ballroom--Student Union, Colorado A. & M. June 23, 1948.

Meeting called to order at seven thirty A.M. by E.E.Schnetzler, Contest Manager. Suggestions for the conduct of the 1948 contest were asked for by the chairman.

It was decided that the dates of the contest shall be November 30 and Dec. 1.

The market trip will be Tuesday morning. On Tuesday afternoon, the dressed bird and market egg grading portion of the contest will be held in a processing company's cooler. Time of 45 minutes to be allowed for grading the 50 eggs and/or the 40 dressed birds.

On Wednesday, the remaining portions of the judging contest will be completed in quarters yet to be determined.

There will be five birds in each class of production and exhibition. Time, 12 minutes to a class. Dr. Schnetzler has agreed to distribute grading charts for marking five bird classes.

Eligibility: Besides passing the regular eligibility requirements as set up by individual schools, each contestant must conform to the following:

1. Must be an undergraduate.
2. Must not have previously participated in this contest.
3. Must be enrolled in a regular degree curriculum.

Minutes of Coaches Meeting Following Banquet
December 1, 1943

Canfield of Minnesota nominated Jones of South Dakota as Secretary. Jones nominated Roberts of Oklahoma. Nominations closed. Roberts successfully evaded the secretaryship.

Scott of Illinois moved that changes in scoring not be done just prior to the contest. Motion seconded by Avery of Kansas. Motion carried.

Motion made by Scott of Illinois that Chairman (Schnetzler) appoint a committee to make a statistical study of grading eggs and dressed poultry classes. Seconded by Buss of Purdue. Motion carried. Secretary's note (This committee to study point deductions to be made for placing eggs or birds in the wrong grade. Object in mind is to prevent over- or under-emphasis on market products division thus throwing the contest out of balance.)

Suggested by Avery of Kansas that $\frac{1}{2}$ (One-half) case of blood spots and meat spots be obtained for the contest for the purpose of picking out comparable blood spots or meat spots to be used in egg grading. This was impossible this year because of insufficient number of comparable blood and meat spots to include in the 16 sets of eggs necessary for conducting the contest.

Nebraska offered to send $\frac{1}{2}$ case of blood spots and bloody eggs. Suggested that egg and dressed poultry cards be returned to Schnetzler for study by committee to be appointed.

Requested that reasons for disqualifications be given. Some questioned whether a twisted feather was a twisted feather. Buss of Purdue raised the question whether or not a study of the method of grading ROP cards was desirable. After a brief discussion the matter was dropped.

Goff of Tennessee raised the question of a gift for "Chick" Phillips in appreciation of his efforts in behalf of the inter-collegiate judging contests. Type of gift to be presented was discussed. Schnetzler agreed to study the problem to see what could be worked out.

Avery of Kansas suggested that some one dress out some birds and send in to the contest or that someone on the committee stop at a commercial plant and select various grades needed for suitable dressed market classes. It was pointed out that people at plants had been very willing to cooperate, but that they did not really know what is needed for the judging contest.

Suggested that some B eggs be held prior to the contest. There was not enough difference in some cases between A's and B's this year.

Suggested that exhibition classes might be obtained and made up from more than one source for any one class.

Possibility of obtaining White Rock exhibition birds from breeders having birds with exhibition qualities was discussed. No action taken at this time.

Suggested by Scott of Illinois that each school rate birds available at their institution as to the desirability of the birds for the purpose intended.

It was suggested that the contest manager make his requests for birds by October 1st each year.

The question of 5-bird rings was discussed and it was agreed that they be continued next year. Jones of South Dakota suggested that the possibility of obtaining a complete set of all 120 possible correct placings be looked into.

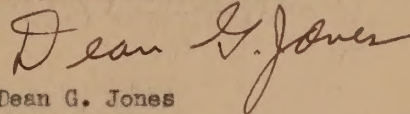

Scott of Illinois moved that either males or females of the three breeds used for exhibition may be used in setting up exhibition rings. It was felt that this might ease the problem of securing good White Rock exhibition classes. Kinder of Missouri seconded. The motion carried.

Wightman of Kentucky suggested that colored bands be used on the birds and that the birds be placed according to color of bands to avoid possibility of switching birds within the class by contestants. These colored bands would then have to be transposed to numbers and graded. This practice has been followed in the Eastern Contest. Jones of South Dakota objected on the basis of increased work for the grading committee which barely can complete its work on time now if everything runs smoothly. It was pointed out that this would mean another double set of checking operations and that this plus circumstances which arise above and beyond the control of the grading committee would make this prohibitive from the time element alone.

It was agreed that 14 minutes be allowed next year for the 5-bird rings with a recess period for the birds. The suggestion was also made that the contestants might well utilize the 2 minute period during which they cannot remove birds from the cages for checking the birds to see that they are in the correct cages.

Avery of Kansas moved for adjournment. Jaap of Ohio State seconded. Meeting Adjourned.

Respectfully submitted

Dean G. Jones
Secretary

Following appointment of committees, team numbers were drawn and were filled out giving team number names and coaches. Discussion of instructions was held for the benefit of the players before the first time.

The S. C. P. section was discussed and the following suggestions that only standard basketball should be considered was adopted for this year. Heads of basketball and basketball to be overlooked. It found the way full, a small ball, colored wings, little and looked really.

Egg grading division was discussed. No pin point meat spots to be included. All meat spots or blood spots to be of such a definite nature that they would be classified as rejects.

Moved by Penquite of Iowa that tremulous air cells be disregarded in judging eggs. Seconded by Jones of South Dakota. Motion Carried.

Brown moved that inasmuch as the judging committee would clean up all dirty vents and dirty feet in the dressed market poultry, that dirty vents and dirty feet not be considered in grading the dressed poultry. Parnell of Texas seconded. Motion Carried.

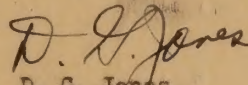

Because of the shabby treatment of the Chicagoan Hotel concerning the matter of room reservations, it was suggested that each team handle reservations individually. After some discussion it was decided it would be best for all concerned if Schnetzler would make a blanket reservation for all teams. He will have conformation cards sent to each coach and each coach, in turn, should bring these Conformation cards with him when he comes to the contest.

Suggested that all coaches receive minutes of meetings so that revisions are kept up to date.

It was announced that banquet tickets would be \$2.50.

After setting time of coaches meeting for 7:00 p.m. to-morrow evening in the Rose Room, the meeting was adjourned.

Respectfully submitted,

D. G. Jones
Secretary

But evening division was discussed. No win point west spots
to be included. All west spots or blood spots to be of much a definite
nature that they would be classified as rejects.

Moved by Pennington of Iowa that resolutions with relation
be introduced in Indiana case. Seconded by Jones of South Dakota.
Motion Carried.

Brown moved that inasmuch as the Indiana committee would
clean up all dirty vents and dirty feet in the dressed market
poultry that dirty vents and dirty feet not be considered in
grading the dressed poultry. Carried by Jones of Texas seconded.
Motion Carried.

Minutes of Coaches Meeting. November 29, 1959

The meeting scheduled for 7:00 p.m. in the Rose Room was delayed because the aforesaid room was occupied by a loud and vociferous group engaged in games of chance. After three trips by Dr. Schnetzler to the desk, the management kindly????? condescended to let us use some servants quarters as a meeting room.

The first item of business was a discussion of point deductions on eggs and dressed market poultry. After some discussion of various systems studied by the committee appointed to study the scoring of eggs and dressed market poultry, Kinder Of Missouri moved that in scoring eggs a three point cut be used for each line crossed with no double cuts and no individual score under zero on eggs. Avery of Kansas seconded. Motion carried.

Penquite of Iowa moved that we use 25 fowl and 25 roosters for the dressed market poultry and that a 3 point cut be involved for each line crossed with no double penalties and no individual score under zero on dressed market poultry. Parnell of Texas seconded. Motion carried,

Kinder of Missouri suggested that a case of B eggs be saved for contest eggs. Also a case of C's and meat spots.

Schnetzler mentioned that it had been difficult to secure birds for the production rings. After a brief discussion the following schools agreed to hold the following breeds for the contest when requested by the contest manager.

White Leghorn Production

Arkansas agreed to furnish a class of roosters for the contest.

The meeting convened for 7:00 p.m. in the room was delayed because the room was occupied by a long and vociferous argument among in members of chance. After three trips by Dr. Schmeidler to the desk, the argument finally ended. Condensed to 100 we have some serious questions as a meeting room.

The first item of business was a discussion of points reduction on eggs and dressed market poultry. After some discussion of various systems studied by the committee appointed to study the records of eggs and dressed market poultry, Kinder of Missouri moved that in scoring eggs a three point cut be used for each line crossed with no double cuts and no individual score under zero on eggs. Avery of Kansas seconded. Motion carried.

President of Iowa moved that we use 25 foot and 25 roosters for the dressed market poultry and that a 3 point cut be involved for each line crossed with no double penalties and no individual score under zero on dressed market poultry. Farrell of Texas seconded. Motion carried.

Kinder of Missouri suggested that a case of B eggs be saved for contest eggs. Also a case of G's and meat spots.

Schmeidler mentioned that it had been difficult to secure birds for the production rings. After a brief discussion the following schools agreed to hold the following breeds for the contest when requested by the contest manager.

Coaches Meeting

Intercollegiate Poultry Judging Contest - November 27, 1950

Meeting called at 9 p.m., room 379, Hotel Chicagoan, Chicago, Illinois

Ben Kropp of Swift and Company presented the program and plan for the tour of November 28. Presentation of this program preceded the writing of the minutes in order to avoid detaining Mr. Kropp.

Minutes of the 1949 meetings read and approved.

Order of business was:

Assignment of committees to assist with the Poultry Judging Contest on the 28th and 29th, and discussion of various points of interest in relation to procedure and grading. Contest Manager, Schnetzler called for any unfinished or old business left over from last year's meeting. No unfinished business.

Penquite of Iowa asked that Kinder of Missouri explain again the three point cut on eggs and dressed poultry which had been voted in during the 1949 meeting as recommended by a committee on grading, of which Kinder was a member. Kinder's explanation was "a cut of one point for each line crossed made scores on eggs and market poultry higher than the rest of the contest on a comparable basis." Explanation satisfactory.

Wightman of Kentucky introduced the subject for discussion regarding pinpoint spots as now referred to in the rules of the contest. The discussion finally included tremulous air cells. Some confusion seemed to exist. However, no action was taken other than to leave the rules as they are.

Discussion indicated that the rules decided upon at the 1949 meeting regarding decision to follow U. S. grades on dressed carcasses, except to disregard dirty feet and vents, seemed quite satisfactory.

Mr. Schnetzler requested the group's pleasure regarding the mechanical procedure of contest operation so far as the 10 classes of birds are concerned, and stated that he would appreciate any suggestions and constructive criticism, either at these meetings, or in the future by correspondence. The general opinion of those in attendance at this meeting expressed satisfaction in the way the contest was planned and carried out. --A motion to that effect was made by Penquite of Iowa, seconded by Baldini of Purdue. Motion carried.

General Meeting

The meeting was held on the 15th of the month.

The following business was transacted:

1. The minutes of the last meeting were read and approved.

2. A letter from the Secretary was read.

3. A report from the Treasurer was read and approved.

4. A resolution was passed regarding the purchase of new equipment.

5. A motion was made and carried for the adjournment of the meeting.

The meeting adjourned at 8.00 p.m.

The next meeting will be held on the 1st of the next month.

Manager Schnetzler appointed the various coaches to assist in the various divisions of the contest this year as follows:

Egg Grading Committee

Prof. E. T. Wightman, Chairman
Frank N. Barrett, Michigan
Robert Penquite, Iowa
T. T. Brown, North Carolina

Richard Eaton, Illinois
E. O. Essary, Tennessee
Robert Young, Wisconsin

Banquet tickets were distributed to the coaches for the contestants and coaches upon the receipt of \$2.50 per ticket. Banquet at the Hotel Sherman.

A meeting was announced for 7 p.m. November 28 in room 379, Hotel Chicagoan.

Meeting adjourned 10:30 p.m.

Respectfully submitted,

C. A. Roberts,
Secretary
Intercollegiate Poultry Judging
Contest

Coaches Meeting

Intercollegiate Poultry Judging Contest - November 28, 1950

Meeting called to order 7:30 p.m., room 379, Hotel Chicagoan, Chicago, Illinois

Manager Schnetzler called for reports by chairmen of the various committees appointed at the meeting last night. Reports of the various committees indicated that all was in readiness for the balance of the contest, beginning at 7:30 a.m., November 29, in room 304, Merchandise Mart.

Some consideration was given to the possibility of appointing group leaders from the coaches present to assist in keeping nonactive groups of judges separate. No action was taken.

Manager Schnetzler asked for suggestions on committee designations. After much confused discussion and suggestions as to the breaking down of the contest into various divisions to which committees could be appointed to work, none of which this secretary could keep up with--and he deciding that the manager would probably have to make most of the decisions regarding the appointments anyway, details of the discussion are herewith omitted.

The manager brought up the question of material and equipment to be used by the contest. Parnell of Texas motioned each school donate one Farris candler to the contest and that these candlers be brought to the contest next year. Seconded by Hammond of Arkansas. Motion carried.

Motion by Hammond that 40 watt frosted bulbs be used in the contest. Seconded by Baldini of Purdue. Motion carried.

Manager Schnetzler at this point called for a statement by each coach as to what each institution could supply in the way of poultry and eggs for use in the contest. Response to this request was as follows:

Purdue: White Leghorn production; meat fowls; White Leghorn Exhibition Females; Rhode Island Red Exhibition Females.

Minnesota: Production White Leghorns and White Rocks; Exhibition White Rocks.

Missouri: Meat fowls and R.O.P.

Nebraska: R.O.P. meat production S.C. White Leghorns.

Kansas: Exhibition White Leghorn cockerels; Exhibition White Rock pullets; Production White Rocks R.O.P. and market chickens.

Illinois: Exhibition White Leghorns and White Rocks; also market fowl.

Wisconsin: S.C. White Leghorn males and females.

Iowa State: White Leghorns; Rhode Island Reds, R.O.P.

Arkansas: Exhibition White Leghorn cockerels.

Oklahoma: Production White Leghorns and New Hamps.

Tennessee: Exhibition Rhode Island Red females.

C Grade Eggs: Louisiana, Nebraska and Iowa State;

B Grade Eggs: Kansas, Missouri

Blood Spot Eggs: Nebraska.

Possible revision of Rules and Regulations was discussed. It seemed to be the general opinion of the meeting that production judging was quite satisfactory as it is. Dissatisfaction of the exhibition phase of the contest was expressed by some. However, a vote was taken and it was decided that the exhibition phase of the contest should remain as is for the 1951 contest.

By general consent of the group, Rhode Island Reds will be included in the R.O.P. phase in the 1951 contest.

Motion made by Hathaway and seconded by Penquite that R.O.P. be changed to Breed Selection and that standard disqualifications only would be considered for the 1951 contest. Motion carried.

The group was in general agreement that Rules and Regulations regarding eggs and dressed poultry should remain as they are. Discussion on grading cards led to a motion by Hammond that in case the contestant fails to enter the grade of a dressed carcass or an egg - that the maximum (9 points) be deducted from the contestant's score - the monitor in charge not to call attention to the contestant of the deletion. Seconded by Hathaway. Motion carried.

Motion made by Adams of Wisconsin and seconded by Kinder, that in case a contestant fails to enter a grade on the score card for a R.O.P. bird, that his score be cut the maximum (10 points), with no notice being given by the monitor to the contestant of the deletion. Motion carried.

Motion by Wightman, seconded by Hammond that in 5 bird classes where 2 numbers are duplicated, worst combination score that could be made in reducing the duplication, to be given. Monitor not to call attention to mistake. Motion carried.

Motion by Hathaway, seconded by Adams that manager Schnetzler and Secretary Roberts be given the approval of the group to incorporate the above motions into the Rules and Regulations of the Inter-collegiate Poultry Judging Contest. Motion carried.

Schnetzler requested suggestions about the procedure if more than 20 teams are entered in the contest. No action was taken. However, more contestants to each class with more time to judge and stricter monitoring was suggested. It was also suggested that due to the congestion in the egg candling room during the contest, that all coaches and others, except the contestants who are due to use the candlers during a specified time, and appointed monitors, be excluded from the candling room--and that where possible contestants forced to face the entrance to the candling room be protected as much as possible from the light coming through the door as it is opened and closed.

Hathaway suggested more coaches be used in setting up and placing the 10 live bird rings and breed selection. Considerable discussion. No action.

Meeting adjourned 9:30 p.m.

Minutes of Coaches Meeting
Intercollegiate Poultry Judging Contest
November 27, 1951

Meeting called to order 7 p.m. Manager Schnetzler distributed the judging cards to be used in the remaining part of the Contest tomorrow and the committee's who had set up this remaining part of the Contest made their reports.

Monitors were instructed to tighten up on contestants as to the way birds were handled, it being the opinion of a number of coaches that some contestants in the past had handled birds unnecessarily rough.

Motion by Kinder seconded by Hall that Contest be set up so eggs and market poultry could be judged in the morning and live classes in the afternoon for future contests. Motion carried.

A committee to study rules and regulations and bring them up to date was appointed. Roberts, chairman. Avery and Wightman committee members.

Motion by Davis seconded by Canfield that in the 1952 Contest the contestant must list a specific disqualification when disqualifying a bird in breed selections. Carried.

Motion by Davis seconded by Sicer that 2 pullet classes be included in the production division of the Contest next year to replace 2 yearling hen classes. These pullets to be placed on past production. Motion lost.

Motion by Essary seconded by Davis. Live market birds to be graded on PMA (letter grades A B C) grades. Twenty birds to be used in 1952. Motion carried.

Motion by Kinder seconded by Williams that two classes of pullets and one of cockerels be judged on basis of past production and for breeding to replace the three classes of exhibition. Motion lost.

Motion by Kinder seconded by Sicer that one class pullet breeding birds be substituted for one of exhibition classes. Motion carried, with a motion by Jones that leghorns be used as the substitute seconded by Talmadge. Motion carried.

Motion by Wightman seconded by Maw that single comb white leghorn exhibition be eliminated in relation to the above motion. Motion carried.

Manager Schnetzler called for nominations for secretary. Kinder of Missouri was unanimously elected. Meeting adjourned 9 P.M.

Respectively Submitted,

ARRANGEMENTS COMMITTEE 28th ANNUAL MIDWEST INTER-COLLEGIATE POULTRY JUDGING,
TOUR, AND BANQUET - - - - November 27-28

Mr. H. H. Alp
 Dr. O. B. Kent
 Mr. Ben Kropp
 Dr. Cliff Carpenter
 Dr. E. E. Schnetzler
 Mr. Ed Griffin

Dear Friend:

1) Ben Kropp has completed arrangements for tour leaving Chicagoan Hotel 7:00 A. M. Tuesday, November 27. The first stop will be P. E. N. B. Office, followed with a visit to the Chicago Mercantile Exchange - Board of Trade - lunch at Swift's cafeteria - and trip through Swift Packing Plant. Tour will be completed in time so that judging of dressed poultry and eggs can be gotten underway in line with program Schnetz has arranged at Fulton Cold Storage.

2) Schnetz advises there is prospect of having twenty-one teams. Dr. Kent was successful in lining up space for judging live poultry on the first floor East end of Merchandise Mart.

3) Annual banquet is lined up 6:15 P. M. Wednesday, November 28, Bal Tabarin Room, Sherman Hotel. The dinner will feature fried chicken under the supervision of Mrs. Niles. Chicken will be available in abundance.

4) Walter Berger will serve as M. C. Bill Diamond will be on hand as the pepper-upper assisted by Miss Betty Young, accordionist. Dr. Kent will have the honor of passing out the judging contest awards.

5) Tickets will be available for everyone attending the banquet, including "Guests" at \$2.50 each.

This Annual Poultry Judging Contest and Banquet is always an interesting affair, and we trust that the joint efforts of our Entertainment Committee will make this year's contest all the more pleasant for the teams and coaches.

Yours sincerely,

Lyman

Market Eggs - Fifty eggs to be candled and graded according to U.S. Standards for Quality of Individual Eggs.

TWENTY NINTH ANNUAL
INTERCOLLEGIATE POULTRY JUDGING CONTEST

December 2 & 3, 1952

INFORMATION FOR CONTESTANTS & COACHES.

Coaches Meeting: December 1, 9:00 P.M. at Hotel Chicagoan. Room to be announced later.

December 2: All Judging will be done Tuesday, December 2. The live poultry judging will be done at the Navy Pier - Third floor, right side of main entrance gate, above police headquarters. The egg and dressed poultry grading at the Fulton Market Cold Storage.

All contestants will be expected to furnish their own transportation in getting to the Navy Pier and the Fulton Market Cold Storage. Transportation will be furnished in moving the groups from one location to another after the judging has started.

The procedure of judging for each contestant is outlined on the accompanying sheets.

Your team will be determined at the coaches meeting by drawing numbers. Coaches will assign numbers 1, 2 or 3 to each of his team members which determines their order of judging. (See sheets attached.) The contestant's number is composed of the team number and the coach's assigned number. For instance, contestant 1 of team 6 will have 61 for a contestant's number, and contestant 3 of team 13 will have 133 for his number.

Cards for reporting your placings and decisions will be handed to you in the order that you will use them. They will be numbered consecutively. You must follow these in the order that they are given to you.

Each contestant will have 14 minutes to judge each class and make his placings. During the first two minutes of each period, all birds must be left in the coops. Monitors will give you a one minute warning and call time when it is time for you to move to the next ring.

Be sure to circle the ring number (it will serve as a check that you are judging the correct ring); write in your name and your team on each card you turn in; and be ready to shift promptly on signal from monitor.

The Contest will be made up as follows:

- Ring 1 - White Leghorn Production
- Ring 2 - White Rock "
- Ring 3 - White Leghorn "
- Ring 4 - White Rock "
- Ring 5 - New Hampshire "

- Ring 6 - White Leghorn Breeding Pullets
- *Ring 7 - White Rock Females Exhibition
- Ring 8 - Rhode Island Red Males Exhibition

*Not to be removed from cages.

Disqualifications not to be considered in judging exhibition rings.

Egg Grading:

50 eggs graded as A, B, C, or rejects according to U.S.Grades. (45 Min.)

Members of each team will grade the same lot of eggs. Remember that rough handling of the eggs will penalize your own team-mates.

Individual Bird Selection:

20 birds, males or females, White Rocks, Barred Rocks, White Leghorns, Rhode Island Reds and/or New Hampshires to be examined for Disqualifications. (35 minutes.) You are to show whether the birds do or do not have disqualifications and give disqualification found, if any.

Dressed Poultry:

50 dressed birds, 25 fowl and 25 roasters, to be graded according to U.S.Grades. (45 minutes)

The dressed market poultry must not be handled except by holding the shanks or the head wrappers.

Live Market Poultry:

20 live birds, 10 market fowl and 10 market roasters. (28 minutes.)

Cards for Record Placings:

Samples of cards for reporting your placings and decisions have been sent to your coach. See him for samples.

Tour:

The Chicago Committee has arranged an interesting tour for Wednesday, December 3, starting from the Hotel. The tour will end at the Stock Yards about 1:30, where you will have a chance to see the Livestock Show. All coaches and contestants this year may go on the tour and see the show.

Contest Results:

You are expected to attend the banquet, Sherman Hotel, 6:00 P.M. December 3. Results will be announced and the awards made at that time. There will be plenty of noise, fun, singing, enthusiasm, at the banquet which follows the presentation of awards. Come prepared for a good time.

Minutes of Coaches Meeting

Intercollegiate Poultry Judging Contest

Dec. 1, 1952 - Chicago, Illinois

Meeting was called to order at 9:10 P.M. by Chairman Schnetzler. Minutes of previous meeting were read and approved. Next Coaches meeting set for 8:00 P.M. Dec. 2, after contest. Ben Kropp of Swift and Company announced plans for tour Wednesday at 7:20 A.M.

Drawings were made for team assignments. Committee assignments were announced as follows: Judge committee Rings 6 and 7 - Marble, Adams and Davis; Rings 1 and 8 - Parnell and Maw; Rings 2 and 3 - Jones and Stadelman; Rings 4 and 5 - Eaton and Anderson; Breed Selection and Live Market - Brown, Avery and Kinder; Eggs - Williams, Gilbreath, Lanson, Pino and Embleton; Dressed Poultry - Penquite and Wightman; Grading - Gilbreath, Larson, Canfield, Kinder and Jones.

Motion by Avery, seconded by Stadelman that we disregard skin abrasions, lack of head wraps, dirty vents, feed in crop, dirty feet and garter feathers in grading dressed poultry. Motion carried.

Brown reported on breed selection. Disregard debeaking, slip wing, knock or bow legs and list only one disqualification. Motion by Roberts, seconded by Canfield that a cut of 4 points be made on each line crossed in live poultry. Motion carried. Motion by Roberts, seconded by Canfield, that standard disqualifications be disregarded in Pullet Breeder Selection. Also, "iritis" be disregarded. Motion carried.

Banquet tickets were distributed to coaches of teams upon receipt of \$2.50 per ticket. Banquet to be held in Bal Tabrin of the Sherman Hotel.

Members present:

Williams - Nebraska
Kinder - Missouri
Jones - South Dakota
Canfield - Minnesota
Roberts - Oklahoma
Anderson - Purdue
Maw - Penn. State
Marble - Cornell
May - Louisiana
Pino - Rutgers

Parnell - Texas
Embleton - Arizona
Avery - Kansas
Eaton - Illinois
Penquite - Iowa

Minutes of Coaches Meeting
Intercollegiate Poultry Judging Contest

Dec. 2, 1952 - Chicago, Illinois

Meeting was called to order at 8:00 P.M. by Manager Schnetzler. Discussion of recommended changes in contest for 1953.

Eggs - Williams - Nebraska - no change recommended.

Dressed Poultry - Parnell - Texas - moved we change contest to 25 N.Y. dressed fowl and 25 N.Y. dressed broilers. Motion seconded by Penquite - Iowa. Carried. Suggested at least 3 coaches be put on dressed birds committee.

May - Louisiana - moved that we amend contest rules to read that dirty vents, head wraps, bloody body, feed in crop, dirty feet, garter feathers and skin abrasions due to dressing be disregarded in grading New York dressed poultry. Seconded by Jones - South Dakota. Motion carried.

Live Market Poultry - Roberts - Oklahoma - moved that the 20 live market poultry should all be fowl. Seconded by May of Louisiana. Carried.

Pullet Breeder Selection - Lanson - Wyoming - moved we replace the remaining 2 exhibition classes with 2 standard production classes of New Hampshire and White Rock pullets for breed selection. Standard disqualifications if present to be considered as defects with every effort made to avoid use of birds with disqualifications in these classes. This would make 3 classes of pullet breeders (pullet breeder classes, W.L., N.H. and W.R.). Seconded by Williams. Motion carried.

Coaches were in agreement on a 1 day contest if it is possible to continue such arrangement.

Suggested that R. O. P. and all other live birds be set up the day of contest.

Motion by Maw of Penn. State, that alternates be allowed to visit in contest under supervision of monitors. No picture making allowed. Motion seconded and carried.

Dr. Schnetzler was concerned about getting birds and eggs for the contest but was assured of full cooperation by the coaches.

Meeting adjourned on motion.

Dear Dr. Schnetzler:

Thank you for sending results of the contest as well as a list of donors, and of those that you want us to write letters to. This will be attended to soon.

We had a wonderful contest this year, and with the changes in rules, it should be an even better one next year. Elimination of exhibition Leghorn cockerels, to be replaced by a class of standard-production bred Leghorn females seems to be a real step ahead. For your information, I'm enclosing copy of a score-card that we used at the Texas State Fair last fall in placing classes of breeding poultry. It seems to me that this is the kind of judging we will be doing in the new contest class.

Best Wishes for the New Year.

Sincerely,

E. D. Parnell

POULTRY JUDGING CONTEST

Rules and Regulations

INTERCOLLEGIATE POULTRY JUDGING CONTEST

Place and Date: Chicago, Illinois, on Tuesday and Wednesday after Thanksgiving, unless decided otherwise by a two-thirds vote of the institutions directly concerned. For many years there has been a market tour the day preceding the day of the contest. The place of meeting is usually in front of the Hotel Chicagoan, located at 67 West Madison Street, next door to the Morrison Hotel.

Room reservations are usually made for teams at the Hotel Chicagoan, but if you care to make reservations at another hotel, you are not required to stay at the designated hotel.

Organization of the Contest: The contest shall consist of three divisions, namely; Production judging, Breed Selection, and Market Products Grading. Each division having a total value of 500 points. A perfect all-around individual score will, therefore, be 1500 points, and a perfect all-around team score will be 4500 points.

Eligibility of Contestants: Each team shall consist of three team members and one team alternate.

Membership on a team is open to any undergraduate student regularly enrolled in the four year course of the institution who has been in attendance at the institution he represents for at least one full year and who at the time of the competition is regularly enrolled in the college where he has completed one year's work and whose work in his classes is of a passing grade. No student is eligible to compete more than one school year. The instructor or coach in charge of each team shall be responsible for the eligibility and credentials of that team.

If a team member becomes incapacitated during the contest the team alternate shall be permitted to take his place. Both of these contestants will become ineligible for future competition.

Contest Procedure: The contest will commence at a time and date chosen by the Manager.

Each contestant shall be required to write his placings on a card which will be provided. He shall also indicate on the card his name, his team, and the class of birds being judged. The card shall be handed to the monitor at the end of the period allotted as the contestant shifts to the next ring.

Under no circumstance will any monitor advise or inform a contestant of an error (duplication or deletion) made by the contestant on his card or cards.

After the contest has started no student shall be permitted to communicate with any person except the monitor in charge of his group or in charge of the ring with which he is immediately concerned.

As placing cards are turned in by contestants at the close of each period, they shall be delivered to the grading committee for scoring and tabulating.

No persons other than the members of the grading committee and the manager of the contest shall have access to any of the scores or placings until they have been prepared for public announcement.

Team alternates will not be admitted to any part of the contest while the contest is in progress.

Committees: The manager of the contest shall appoint the following committees of coaches or other college representatives, whose duties shall be as indicated and whose decisions as committees shall be final:

- 1 - Judging committees consisting of three members shall make selections for production rings; make the official placings of the exhibition and breeding pullet rings; pass upon the qualifications of birds of "individual bird selection" section; grade live market birds; and grade the eggs and the dressed Market Poultry. The membership of these committees shall rotate from year to year, the general plan being for one member to be replaced each year, and for each new member to serve for a three-year term.
- 2 - A committee of monitors who shall have supervision of the contestants during the contest period. It shall be their duty to see that no communication takes place between contestants or between contestants and outside persons, except in the presence of a monitor or the contest manager, and then only for unusual reasons. The chairman of this committee shall designate one member to act as time-keeper. He shall also arrange for delivery of the placing cards to the grading committee as they are turned in from time to time during the contest.
- 3 - A grading committee of five or more members who shall score each placing card, and tabulate the individual and team scores by divisions and for the contest as a whole. This committee shall consider its proceedings as "closed" to all persons except the contest manager until such time as the results are ready for public announcement.
- 4 - A committee on arrangements consisting of the contest manager, and as many others as may seem necessary or desirable, (number to be determined by the manager) to make all arrangements for the contest, including the exact place, necessary tables and coops, rings of poultry, market eggs, prizes, headquarters hotel for the teams, the market inspection trip on the day preceding the contest, and the banquet following the contest.

Amendments: Rules and regulations may be amended by a two-thirds vote of the coaches present at a regular meeting which shall be held annually during the contest. They may also be amended by a two-thirds vote by mail of the institutions to be represented in any contest, provided such vote is completed in time to be announced to all competing institutions at least thirty days prior to the contest. Amendments made at coaches meetings during a contest will not apply to that contest but shall become effective the next contest held.

Division I - PRODUCTION JUDGING (500 points) (5 bird rings)

Time: 14 minutes for placing each ring of birds.

Coops shall be numbered from 1 to 5.

The production rings shall be composed of yearling hens and placed in the order of total egg production, including all eggs from the time of first egg until shipped to contest. Each ring shall have been selected to conform with the following specifications insofar as possible:

- (a) The five birds shall be hatched at about the same time, preferable within a range of two weeks.
- (b) All five birds shall have started to lay within a range of 1 month.
- (c) All five birds shall have been given similar rations and housing conditions.
- (d) Each pair shall differ by a minimum of 20 eggs and preferable 25 eggs, in total egg production.
- (e) In the selection of hens, no attempt is to be made to choose "placeable" rings. Official placings are to be made in the order of actual egg records, without regard to the appearance or handling quality of the birds so long as all are in good physical condition. All birds in production rings should be in good physical condition. If diseased or in poor condition they break down in the contest, making them impossible to judge.

Division II - BREED SELECTION (500 points)

EXHIBITION AND BREEDING BIRDS (300 points) (5 bird rings)

Time: 14 minutes for placing each ring of birds.

Coops shall be numbered from 1 to 5.

- Ring 6 - White Leghorn Pullet breeding birds. (Production Strains)
- *Ring 7 - Exhibition White Rock males or females.
- Ring 8 - Exhibition Rhode Island Red males or females.

* Birds in this ring are not to be removed from cages.

Disqualifications not to be considered in judging exhibition rings.

All standard and production characteristics, defects, and disqualifications to be considered in pullet breeding birds.

INDIVIDUAL BIRD SELECTION (200 points) (20 birds) Time: 30 minutes

Coops shall be numbered from 1 to 20.

This section shall consist of any combination of cock, hens, and or cockerels and pullets at least six months of age of White Rocks, Barred Rocks, White Leghorns, Single Comb Rhode Island Reds, and New Hampshires.

All specimens should be well developed and apparently with good physical condition and health so that these factors need not be considered in classifying individuals.

Weight, clipped wings, iritis, crooked keel, and squirrel and wry tail are not to be considered in classifying individuals.

The coops will be clearly labeled giving breed, sex and approximate age in months, e. g., New Hampshire cockerel, Age: 8 months.

The decision for keeping or rejecting an individual bird should be based entirely on the presence or absence of standard disqualifications. A disqualification need not be too obvious but on the other hand it should be definite and therefore not a matter of judgment about which qualified individuals would differ. When disqualifying a bird, contestant will write the specific disqualification on his card.

Division III - MARKET PRODUCTS JUDGING (500 points)

EGG GRADING (200 points) (50 eggs) Time: 45 minutes.

Eggs shall be numbered from 1 to 50.

The market eggs shall be graded according to the U. S. Standards for quality of individual shell eggs. Letter grades A, B, and C will be used. The class may contain rejects. No consideration to be given to exterior quality, tremulous air cells not to be considered. Each contestant shall indicate the grade in which he believes each egg should fall. 40 watt frosted light bulbs will be used.

Members of each team will grade the same lot of eggs.
A comparable lot will be set up for each team.

DRESSED POULTRY (200 points) (50 dressed carcasses, 25 fowl and 25 roasters.)

Carcasses shall be numbered from 1 to 50. Time: 45 minutes.

The dressed poultry shall be graded according to the U. S. specification for Standards of Quality for individual dressed carcasses. The letter grades A, B, and C will be used. The class may contain rejects. Government regulations relative to importance of the following items in dressed poultry grading shall be adhered to: dirty feet, dirty vents, garter feathers, feed in the crop and improperly removed crops.

LIVE POULTRY (100 points) (20 birds)

Time: Two 14 minute periods. Coops shall be numbered from 1 to 20.

The live market birds shall be graded according to U. S. specifications for standards of grades for live poultry. Letter grades A, B, and C will be used. The class may include rejects.

Instructions to Grading Committee

Scoring and Basis for Making Awards

All five bird rings

Contestants' placings shall be scored on a basis of 100 for agreement with the official placing and a deduction of 10 points for inversion of any two birds. All pairs shall be considered to be "normal" unless designated as "close" or "Very close" in the official placings. "Close" and "Very close" pairs shall be subject to a deduction as determined by the judging committee, provided they are simply inverted and are not separated by another bird. In the latter case the regular 10-point cut shall apply.

Where numbers are duplicated on contestants card, grade to be given will be based on worst possible combination in reducing the duplication.

Individual Bird Selection

Contestants grade to be based on 200 points for agreement with official disposition of birds.

Ten (10) points shall be deducted for keeping a bird subject to rejection or for rejecting a bird that should be kept, and if a bird is rejected by the contestant, and the official disposition is also rejected but the contestant indicates the wrong reason for rejection, ten (10) points shall be deducted from his score.

The maximum ten (10) points shall be deducted for each bird error-ed against by entered indications that it should be both kept and re-jected.

Egg Grading and Dressed Poultry Grading

Contestants grading shall be scored on a basis of 200 points for eggs and 200 points for dressed poultry for agreement with official grades.

A three (3) point deduction shall be made for each grade separation line crossed. This same cut shall apply when line between "C" grade and inedible or reject is crossed.

If a contestant fails to enter a grade for an egg or dressed carcass, or enters more than one grade for the same egg or dressed carcass the maximum of nine (9) points is to be deducted from his score for each egg or carcass errored against.

No score to be less than zero.

Live Market Poultry Grading

Contestants grading shall be scored on a basis of 100 points for agreement with official grades.

A four (4) point deduction shall be made for each grade separation line crossed. This same cut shall apply when line between "C" grade and reject is crossed.

If a contestant fails to enter a grade for a bird or enters more than one grade for the same bird the maximum of 12 points is to be deducted from his score for each bird errored against.

No score to be less than zero.

Tie scores shall be broken by the following considerations, in the order given:

- (a) The largest number of 100 scores.
- (b) The largest number of scores below 100 in their order of descent.
- (c) The largest number of top birds correctly placed.
- (d) The largest number of bottom birds correctly placed.
- (e) A method of drawing decided upon by grading committee.

When an alternate has replaced a regular team member during the contest and their combined score merits an award, the one responsible for the greater portion of the score will receive the award.

POULTRY JUDGING CONTEST

Rules and Regulations

INTERCOLLEGIATE POULTRY JUDGING CONTEST

Place and Date: Chicago, Illinois, on Tuesday and Wednesday after Thanksgiving, unless decided otherwise by a two-thirds vote of the institutions directly concerned. For many years there has been a market tour the day preceding or the day after the day of the contest. Announcement regarding the tour will be made through the contest management.

Room reservations are usually made for teams at a designated hotel; however, it is not mandatory that teams stay at the designated hotel.

Organization of the Contest: The contest shall consist of three divisions, namely: Production Judging; Breed Selection; and Market Products Grading. Each division having a total value of 500 points. A perfect all-around individual score will, therefore, be 1500 points, and a perfect all-around team score will be 4500 points.

Eligibility of Contestants: Each team shall consist of three team members and one team alternate.

Membership on a team is open to any undergraduate student regularly enrolled in the four year course of the institution who has been in attendance at the institution he represents for at least one full year and who at the time of the competition is regularly enrolled in the college where he has completed one year's work and whose work in his classes is of a passing grade. No student is eligible to compete more than one school year. The instructor or coach in charge of each team shall be responsible for the eligibility and credentials of that team.

Team alternate is not considered as having entered competition, except as indicated in the following paragraph.

If a team member becomes incapacitated during the contest the team alternate shall be permitted to take his place. Both of these contestants will become ineligible for future competition.

Contest Procedure: The contest will commence at a time and date chosen by the Manager.

Contestants shall handle all birds, eggs and carcasses with care.

Each contestant shall be required to write his placings on a card which will be provided. He shall also indicate on the card his name, his team, and the class of birds being judged. The card shall be handed to the monitor at the end of the period allotted as the contestant shifts to the next ring.

Under no circumstance will any monitor advise or inform a contestant of an error (duplication or deletion) made by the contestant on his card or cards.

After the contest has started no contestant shall be permitted to communicate with any person except the monitor in charge of his group or in charge of the ring with which he is immediately concerned.

As placing cards are turned in by contestants at the close of each period, they shall be delivered to the grading committee for scoring and tabulating.

Placing cards are "closed" to examination by anyone during the interim between contestant and grading committee.

No persons other than the members of the grading committee and the manager of the contest shall have access to any of the scores or placings until they are publicly announced.

Team alternates will not be admitted to any part of the contest while the contest is in progress, except under supervision of a special monitor as arranged for by the contest manager, and under his specific instructions as to procedure.

Official placings will not be posted at the end of the contest.

Committees: The manager of the contest shall appoint the following committees of coaches or other college representatives, whose duties shall be as indicated and whose decisions as committees shall be final:

- 1 - Judging committees consisting of three members shall make selections for production rings; make the official placings of the breeding pullet rings; pass upon the qualifications of birds of "Individual Bird Selection" section; grade live market birds; and grade the eggs and the dressed Market Poultry. The membership of these committees shall rotate from year to year, the general plan being for one member to be replaced each year, and for each new member to serve for a three-year term.
- 2 - A committee of monitors who shall have supervision of the contestants during the contest period. It shall be their duty to see that no communication takes place between contestants or between contestants and outside persons, except in the presence of a monitor or the contest manager, and then only for unusual reasons. The chairman of this committee shall designate one member to act as time-keeper. He shall also arrange for immediate delivery of the placing cards to the grading committee as contestants turn them in.
- 3 - A grading committee of five or more members who shall score each placing card, and tabulate the individual and team scores by divisions and for the contest as a whole. This committee shall consider its proceedings as "closed" to all persons except the contest manager until such time as the results are publicly announced.
- 4 - A committee on arrangements consisting of the contest manager, and as many others as may seem necessary or desirable, (number to be determined by the manager) to make all arrangements for the contest, including the exact place, necessary tables and coops, rings of poultry, market eggs, prizes, headquarters hotel for the teams, the tour and the banquet following the contest.

Amendments: Rules and regulations may be amended by a two-thirds vote of the coaches present at a regular meeting which shall be held annually during the contest. They may also be amended by a two-thirds vote by mail of the institutions to be represented in any contest, provided such vote is completed in time to be announced to all competing institutions at least thirty days prior to the contest. Amendments made at coaches meetings during a contest will not apply to that contest but shall become effective the next contest held.

Division I - PRODUCTION JUDGING (500 points) (5 bird rings)

Time: 14 minutes for placing each ring of birds.
Coops shall be numbered from 1 to 5.

The production rings shall be composed of yearling hens and placed in the order of total egg production, including all eggs from the time of first egg until shipped to the contest. Each ring shall have been selected to conform with the following specifications insofar as possible.

- (a) The five birds shall be hatched at about the same time, preferably within a range of two weeks.
- (b) All five birds shall have started to lay within a range of 1 month.
- (c) All five birds shall have been given similar rations and housing conditions.
- (d) Each pair shall differ by a minimum of 20 eggs and preferably 25 eggs, in total egg production.
- (e) In the selection of hens, no attempt is to be made to choose "placeable" rings. Official placings are to be made in the order of actual egg records, without regard to the appearance or handling quality of the birds so long as all are in good physical condition. Intentional use of birds in poor health will be avoided in setting up these rings.

Division II - BREED SELECTION (500 points)

Breeding Pullets: (300 points) (5 bird rings)

Time: 14 minutes for placing each ring of birds.
Coops shall be numbered from 1 to 5.

- Ring 6 - White Leghorn Pullet breeding birds. (Production Strains).
- Ring 7 - White Rock pullet breeding birds. (Production Strains).
- Ring 8 - New Hampshire pullet breeding birds. (Production Strains).

Standard type and production characteristics shall be used in combination as basis for placing breeding pullets.

The value of the birds to reproduce desirable type offspring of high production capacity in the next generation should be the major consideration.

An attempt will be made to set these classes up without using birds having standard disqualifications. However, if standard disqualifications are present, they shall be considered only as minor defects by contestants.

Individual Bird Selection: (200 points) (20 birds) Time: 30 minutes

Coops shall be numbered from 1 to 20.

This section shall consist of any combination of cock, hens, and/or cockerels and pullets at least six months of age of White Rocks, Barred Rocks, White Leghorns, Single Comb Rhode Island Reds, and New Hampshires.

All specimen should be well developed and apparently with good physical condition and health so that these factors need not be considered in classifying individuals.

The coops will be clearly labeled giving breed, sex and approximate age in months, e.g., New Hampshire cockerel, Age: 8 months.

The decision for keeping or rejecting an individual bird should be based entirely on the presence or absence of standard disqualifications. A disqualification need not be too obvious but on the other hand, it should be definite and therefore not a matter of judgment about which qualified individuals would differ. When disqualifying a bird, contestant will write the wpecific disqualification on his card.

Only one disqualification is necessary for rejection and if more than one is listed by the contestant, the grading committee will consider only the item listed first, reading from left to right, as the contestant's intended reason for rejection.

(Health and vigor, debeaking, weight, clipped wings, iritis, crooked keel, knock knees, and squirrel and wry tail are not to be considered in classifying individuals.)

Division III - MARKET PRODUCTS JUDGING (500 points)

Egg Grading (200 points) (50 eggs) Time: 45 minutes

Eggs shall be numbered from 1 to 50.

The market eggs shall be graded ONLY according to the size of air cell, condition of yolk, condition of white, germ development and size of possible blood and meat spots.

(Use of eggs with blood and meat spots too small to reject the egg, bubbly air cells, movable air cells, and stuck yolks shall be avoided in setting up egg classes. However, should any of these conditions exist, they are to be disregarded by contestants).

U. S. Standards for quality of individual shell eggs shall be used as guide regarding above listed quality factors.

Letter grades A, B, and C will be used. Classes may contain rejects. (Reject will refer to any egg not qualifying for a "letter" grade on the points listed).

Each contestant shall indicate by "check symbol" ONLY in correct columns on the card the grade in which he believes each egg should fall.

Forty watt frosted light bulbs will be used.

Members of each team will grade the same lot of eggs.
A comparable lot will be set up for each team.

Dressed Poultry (200 points) (50 New York dressed carcasses, 25 fowl and 25 broilers).

Carcasses shall be numbered from 1 to 50. Time: 45 minutes.

The dressed poultry shall be graded ONLY on conformation or deformities, fleshing, fatness, pinfeathers, cuts and tears, disjointed and broken bones, and sores.

(An attempt will be made to use carcasses that do not have dirty heads, bloody heads, dirty carcasses, bloody carcasses, dirty vents, dirty feet, fan feathers on wing tips, garter feathers, feed in crops, incisions for crop removal, green struck crops and vents, and vestigial feathers. However, if these conditions exist, the contestant is to disregard them and grade each carcass ONLY on those points listed in the paragraph immediately preceding this parenthetical statement).

Poultry Grading Manual, U.S.D.A. Production and Marketing Administration, Poultry Branch, Agriculture Handbook No. 31, February, 1952, beginning on page 22 shall be used as guide in evaluating a carcass as to the above Individual-Quality Grading Factors.

Letter guides A, B, and C will be used. Classes may contain rejects. The term "reject" shall be used as referring to any carcass, not qualifying for a "letter" grade on the factors listed above.

Each contestant shall use a "check symbol" ONLY in the correct column on the card to indicate the grade in which he believes each carcass should fall.

Live Poultry: (100 points) (20 birds)

Time: Two 14 minute periods. Coops shall be numbered from 1 to 20.

The live market birds shall be graded ONLY on feathering, conformation, fleshing, fat covering, and degree of freedom from defects.

Poultry Grading Manual, U.S.D.A. Production and Marketing Administration, Poultry Branch, Agriculture Handbook No. 31, February, 1952, beginning on Page 8, shall be used as guide in evaluating a bird as to the above Individual-Quality Grading Factors.

Letter grades A, B, and C will be used. Classes may include rejects. The term, "reject" is to include all birds not qualifying for a "letter" grade.

Each contestant shall indicate by "check symbol" ONLY in the correct column on the card to indicate the grade in which he believes each bird should fall.

INSTRUCTIONS TO GRADING COMMITTEE

Scoring and Basis for Making Awards

All Five Bird Rings

Contestants' placings shall be scored on a basis of 100 for each ring for agreement with the official placing and a deduction of 10 points for inversion of any two birds. All pairs shall be considered to be "normal" unless designated as "close" or "very close" in the official placings. "Close" and "very close" pairs shall be subject to a deduction as determined by the judging committee, provided they are simply inverted and are not separated by another bird. In the latter case the regular 10-point cut shall apply.

Where numbers are duplicated on contestants card, grade to be given will be based on worst possible combination in reducing the duplication.

If one placing space is left blank on a contestants card, place the missing number in the space and grade the card without penalty.

If one placing space is blank and placing duplications are on the card or if two or more placing spaces are left blank, the card is to be scored zero ("0").

Written material of any nature in placing spaces on card other than posted coop numbers shall constitute an error and the card shall be graded zero ("0").

Individual Bird Selection

Contestants grade to be based on 200 points for agreement with official disposition of birds.

Ten (10) points shall be deducted for keeping a bird subject to rejection or for rejecting a bird that should be kept, and if a bird is rejected by the contestant, and the official disposition is also "rejected" but the contestant indicates the wrong reason for rejection, ten (10) points shall be deducted from his score.

The maximum ten (10) points shall be deducted for each bird error-ed against by entered indications that it should be both kept and re-jected.

Only the first reason listed, reading from left to right, as cause for rejection shall be considered by the grading committee.

Only "Standard of Perfection" terminology as applied to specific disqualifications shall be considered correct.

Egg Grading and Dressed Poultry Grading.

Contestants grading shall be scored on a basis of 200 points for eggs and 200 points for dressed poultry for agreement with official grades.

A three (3) point deduction shall be made for each grade separation line crossed. This same cut shall apply when line between "C" grade and inedible or reject is crossed.

If a contestant fails to enter a grade for an egg or dressed carcass, or enters more than one grade for the same egg or dressed carcass the maximum of nine (9) points is to be deducted from his score for each egg or carcass errored against

Written material of any nature in spaces on cards under grades and reject other than a "check symbol" shall constitute an error and the egg or carcass errored against shall be penalized the maximum nine (9) points.

No score to be less than zero.

Live Market Poultry Grading

Contestants grading shall be scored on a basis of a total of 100 points for agreement with official grades.

A four (4) point deduction shall be made for each grade separation line crossed. This same cut shall apply when line between "C" grade and reject is crossed.

If a contestant fails to enter a grade for a bird or enters more than one grade for the same bird the maximum of 12 points is to be deducted from his score for each bird errored against.

Written material of any nature in spaces on cards under grades and reject other than a "check symbol" shall constitute an error and the bird errored against shall be penalized the maximum twelve (12) points.

No score to be less than zero.

Breaking Tie Scores

Tie scores shall be broken by the following considerations, in the order given:

- (a) The largest number of 100 scores.
- (b) The largest number of scores below 100 in their order of descent.
- (c) The largest number of top birds correctly placed.
- (d) The largest number of bottom birds correctly placed.
- (e) A method of drawing decided upon by grading committee.

When an alternate has replaced a regular team member during the contest and their combined score merits an award, the one responsible for the greater portion of the score will receive the award.

THIRTIETH ANNUAL
INTERCOLLEGIATE POULTRY JUDGING CONTEST

December 1 & 2, 1953

INFORMATION FOR CONTESTANTS & COACHES

Coaches Meeting: November 30, 9:00 P.M. at Morrison Hotel. Room to be announced later.

Time & Place: All judging will be done Tuesday, December 1. The live poultry judging will be done at the Navy Pier - Third floor, right side of main entrance gate, above police headquarters. The egg and dressed poultry grading will be at the Fulton Market Cold Storage.

All contestants will be expected to furnish their own transportation in getting to the Navy Pier and the Fulton Market Cold Storage. Transportation will be furnished in moving the groups from one location to another after the judging has started.

Team and Contestant's Numbers: Your team number will be determined at the coaches meeting by drawing numbers. Coaches will assign numbers 1, 2 or 3 to each of his team members which determines the order of judging. The contestant's number is composed of the team number and the coach's assigned number. For instance, contestant 1 of team 6 will have 61 for a contestant's number, and contestant 3 of team 13 will have 133 for his number.

Cards for recording your placings and decisions will be handed to you in the order that you will use them. They will be numbered consecutively. You must follow these in the order that they are given to you, working from the top down.

Each contestant will have 14 minutes to judge each class and make his placings. During the first two minutes of each period, all birds must be left in the coops. Monitors will give you a one minute warning and call time when it is time for you to move to the next ring.

Be sure to circle the ring number (it will serve as a check that you are judging the correct ring); write in your name and your team on each card you turn in; and be ready to shift promptly on signal from monitor.

The Contest will be made up as follows:

Ring 1 - White Leghorn Production
Ring 2 - White Rock "
Ring 3 - White Leghorn "
Ring 4 - White Rock "
Ring 5 - New Hampshire "

Ring 6 - White Leghorn Breeding Pullets
Ring 7 - White Rock Breeding Pullets
Ring 8 - New Hampshire Breeding Pullets

Egg Grading:

50 eggs graded as A, B, C, or rejects according to U.S. Grades. (45 Min.).

Members of each team will grade the same lot of eggs. Remember that rough handling of the eggs will penalize your own team-mates.

Individual Bird Selection:

20 birds, males or females, White Rocks, Barred Rocks, White Leghorns, Rhode Island Reds and/or New Hampshires to be examined for Disqualifications. (35 minutes.) You are to show whether the birds do or do not have disqualifications and give the disqualification found, if any.

3 Dressed Poultry:

50 dressed birds, 25 fowl and 25 broilers, to be graded according to U.S. Grades. (45 minutes.) The dressed market poultry must not be handled except by holding the shanks or the head wrappers.

Live Market Poultry:

20 live market fowl. (28 minutes.)

to be graded according to U.S. grades

Tour:

The Chicago Committee has arranged an interesting tour for Wednesday, December 2, starting from the Hotel. The tour will end at the Stock Yards shortly after lunch where you will have a chance to see the Live-stock Show. Again this year all coaches and contestants may go on the tour and see the show.

Contest Results:

You are expected to attend the banquet, Sherman Hotel, 6:00 P.M., December 2. Results will be announced and the awards made at that time. Come prepared for a good time.

Minutes of Poultry Judging Contest Coaches' Meeting Morrison Hotel
November 30, 1953

The meeting was called to order at 9 p.m. by E. E. Schnetzler, Contest Manager.

Minutes of previous meetings were read and approved.

E. E. Schnetzler asked permission for publicity pictures to be taken during contest. Motion made to permit this carried. Ben Kropp of Swift and Company announced the Tour would start at 7 a.m. and end with lunch at Swift and Company.

Drawings were made for assignment. Mechanics of contest procedure explained. Egg and dressed poultry cards to be given out at door of grading room. In grading, should a number be omitted in a class of 5 birds, the omitted number shall be placed in the blank space. Motion by Kinder carried.

Egg grading - no pin point spots, no movable air cells, no stuck yolks, no grade C egg because of movable air cells, reported by Stadelman of Washington State.

Individual bird selection - disregard slip but not split wing, disregard weight (no Barred Rock), disregard debeaked birds, disregard wry tail, disregard general inferiority and health and vigor.

Dressed birds - incisions made to flush or remove crop and head removal shall not be considered in grading either broilers or fowls. Motion by Kinder, seconded by Penquite, and carried.

It was decided to have Coaches meeting after contest Tuesday night, December 1.

Minutes of Poultry Judging Contest Coaches' Meeting
December 1, 1953

= Chairman Schnetzler called the meeting to order.

Discussion of revision of rules. A committee of Roberts of Oklahoma, Kinder of Missouri and Pino of Rutgers, appointed to revise rules and send out to all coaches.

It was suggested that we try to cut number of contestants working on R. O. P. by one-half or one-third.

A suggestion was made that regulations and rules on dressed birds be re-written in a positive manner. That is (include only those judging factors actually used in contest), fleshing, fatness, cut and tears (but not abrasions), broken bones, deformities, pin feathers and sores.

It was suggested that regulations on eggs be re-written to include only size of air cell (movable and bubbly air cells not to be considered), condition of yolk, germ development, condition of white and blood and meat spots over 1/8 inch.

It was moved by Marble of Cornell and Pino of Rutgers, that we not post placing in the future. Motion carried.

It was suggested that we arrange for new coaches to have a chance to see entire contest setup at some time during the day.

A motion was made by May of Louisiana that alternates be allowed to observe contest under supervision of special monitor. Seconded by Pino of Rutgers. Motion carried.

A move was made by Roberts of Oklahoma and seconded by Jaap of Ohio that the Chairman of Contest will assign monitors for each phase of the contest.

It was suggested that committee assignments be made early so that proper hotel arrangements can be made, and coaches can be present at proper time. A suggestion was made that Chairman send out a list of Individual Awards.

A list of the donors will be given to all coaches and team members to write to, thanking them for the \$1,000 in contributions. Each coach should write a letter to each of the 37 donors.

Canfield of Minnesota and Scott of Southern Illinois reported on Sinclair Hotel possibilities as being very good. Moved that we try to get accommodations there next year. Motion carried.

Discussion of tour for next year - Exchange, Board of Trade, P. E. N. B., Chicago Tribune, Feed Company or some industrial concern such as Firestone, also Armour Research Center. Suggestion made that Coaches be canvassed to determine what their students would want on a tour.

Adjournment.

Dr. E. E. Schnetzler
Mr. Ed Griffin

Subject: Committee Meeting October 9th -
Developments to date.

Dear Friend:

The Committee Meeting on October 9th was attended by three members, Schnetzler, Kropp, and Neel. Snetz, who has the big job as Manager of the Committee, had a very successful report in that reservations are made for housing the contest teams and coaches at the Morrison and space reserved for the Judging Contest.

Here are further developments to date:

- 1.) The contest will be held on December 1st allowing the entire day and evening of December 2nd for the Chicago tour and banquet. Ben is handling the detailed plans for the tour.
- 2.) We have a reservation for the Crystal Room, Hotel Sherman, for the banquet scheduled to start promptly at 6:00 P.M., December 2nd.
- 3.) Snetz will get advice from coaches as to the most desirable time to present contest awards.
- 4.) Ed Griffin has the collection of funds under way to take care of prizes and banquet expense in excess of the ticket charge of \$2.50 each.
- 5.) Here are the arrangements to date for the banquet:
 - A. Dr. O. B. Kent will have the honor of presenting the awards to the contestants.
 - B. Dr. Cliff Carpenter and associates will serve as Master of Ceremonies.
 - C. Bill Diamond and associates will serve as song leaders assisted by Betty Young with her accordin.
- 6.) Bronte Leight of PENB will handle publicity, following an excellent job last year. Mrs. Niles will lend her guiding hand in checking the chicken procurement and preparation with the hotel chef.

December 23, 1953

To All Coaches:

You will recall that you made the request at the last coaches meeting that we try to work up a plan so that the contestants would be given more time on the individual bird selection part of the contest. I thought it best that we try to get something worked out before this past season's contest became too "cold." I have a plan on which I would like your suggestions. The following points should be called to your attention:

1. With this plan the individual bird selection portion is treated as four rings and each student will rotate as in judging rings. There will be two contestants to each five birds and they will be allowed 14 minutes for examining these birds. It is mandatory that they shift as the others shift. In this case now, where they had 35 minutes before for the twenty birds, they will have 50 minutes.
2. In the case of the live market poultry, there will be twelve contestants working in split groups, six working for 42 minutes and then the other six working for 42 minutes. Each contestant will have three minutes less time on the live market poultry than what they were given before.
3. In case of the dressed poultry, twelve contestants will work at one time and will be allowed 42 minutes. The same will be true in the case of eggs. Note that the time here has been reduced 3 minutes on both the eggs and the dressed poultry.
4. It is not possible under this plan for the contestant to keep the judging within one division. For instance, one may judge a ring of breeding pullets and then switch to production judging, or possibly, depending upon the team number, he will again judge a class of breeding pullets.
5. Likewise, it may be necessary for the contestant to switch back and forth between the breeding pullet rings and individual bird selection.
6. Some of the contestants will need to start at the Navy Pier and go to the Fulton Market for the dressed poultry and eggs and then return to the Navy Pier to complete their judging. For another group, it will be necessary for them to start at the Fulton Market, go to the Navy Pier, and then return to the Fulton Market Cold Storage plant.

7. With this plan, we can accommodate twenty-four teams and never have more than two contestants working on a class at a time. The entire time of the contest covers 8 hours and 8 minutes. The contest this past year covered 7 hours and 10 minutes. Each contestant will have plenty of time to have lunch and also a rest period. The number two men will have a rest period of more than an hour and a half, while the number three men will have a rest period of about two hours.

The above plan of course is based around the fact that we can have the contest all in one day and that we can obtain the facilities of the Fulton Market and the Navy Pier as we had this past year. I wish you would kindly study this plan pretty carefully while the contest is still fresh in your mind and let me have your suggestions at your earliest convenience.

Very truly yours,

E. E. Schnetzler, Manager
Intercollegiate Poultry Judging Contest

THIRTY-FIRST ANNUAL
INTERCOLLEGIATE POULTRY JUDGING CONTEST

Nov. 30 & Dec. 1, 1954

INFORMATION FOR CONTESTANTS & COACHES

Coaches Meeting: November 29, 9:00 P.M. at St. Clair Hotel in the Fraternity Room.

Time & Place: All judging will be done Tuesday, November 30. The Live poultry judging will be done at the Navy Pier - Third floor, right side of main entrance gate, above police headquarters. The egg and dressed poultry grading will be at the Fulton Market cold storage.

All contestants will be expected to furnish their own transportation in getting to the Navy Pier and the Fulton Market Cold Storage. Transportation will be furnished in moving the groups from one location to another after the judging has started.

Team and Contestant's Numbers: Your team number will be determined at the coaches meeting by drawing numbers. Coaches will assign numbers 1, 2, or 3 to each of his team members which determines the order of judging. The contestant's number is composed of the team number and the coach's assigned number. For instance, contestant 1 of team 6 will have 61 for a contestant's number, and contestant 3 of team 13 will have 133 for his number.

Cards for recording your placings and decisions will be handed to you in the order that you will use them. They will be numbered consecutively. You must follow these in the order that they are given to you, working from the top down. Cards for grading the eggs and dressed poultry and those for individual bird selection will be given to you as you need them.

Each contestant will have 14 minutes to judge each class and make his placings. During the first two minutes of each period, all birds must be left in the coops. Monitors will give you a one minute warning and call time when it is time for you to move to the next ring.

Be sure to circle the ring number (it will serve as a check that you are judging the correct ring); write in your name and your team on each card you turn in; and be ready to shift promptly on signal from monitor.

The contest will be made up as follows:

Ring 1 - White Leghorn Production
Ring 2 - White Rock "
Ring 3 - White Leghorn "
Ring 4 - White Rock "
Ring 5 - New Hampshire "

Ring 6 - White Leghorn Breeding Pullets
Ring 7 - White Rock Breeding Pullets
Ring 8 - New Hampshire Breeding Pullets

Egg Grading:

50 eggs graded as A, B, C, or rejects according to U.S. Grades. (45 min.).

Members of each team will grade the same lot of eggs. Remember that rough handling of the eggs will penalize your own team-mates.

Individual Bird Selection:

20 birds, males or females, White Rocks, Barred Rocks, White Leghorns, Rhode Island Reds and/or New Hampshires to be examined for Disqualifications. (45 minutes.) You are to show whether the birds do or do not have disqualifications and give the disqualification found, if any.

Dressed Poultry:

50 dressed birds, 25 fowl and 25 broilers, to be graded according to U.S. Grades. (45 minutes.) The dressed market poultry must not be handled except by holding the shanks or the head wrappers.

Live Market Poultry:

20 live market fowl. (28 minutes.) Graded according to U. S. Grades.

Tour:

The Chicago Committee has arranged an interesting tour for Wednesday, December 1, starting from the hotel at 7:00 A.M. The tour will end at the Stock Yards shortly after lunch where you will have a chance to see the Livestock Show. Again this year all coaches and contestants may go on the tour and see the show.

Contest Results:

You are expected to attend the banquet, Sherman Hotel, 6:00 P.M., December 2. Results will be announced and the awards made at that time. Come prepared for a good time.

To All Coaches:

Since I will be out of the office most of the time between now and the latter part of September, I am writing you at this time with regard to the Intercollegiate Poultry Judging Contest.

It is planned that the contest will be held in Chicago, November 30 and December 1. The Chicago committee has not had its meeting as yet but I am sure they are planning on a tour on one of the dates mentioned, depending upon the day that it is possible for us to hold the contest.

You should soon be receiving a new copy of the Rules and Regulations for the contest. These rules will have all of the up-to-date information with regard to procedure in conducting the contest and the various classes of poultry and eggs to be judged. I will be glad to help you in clarifying any points which you have with regard to the contest.

The contest will be made up as follows:

Ring 1 - White Leg. Prod.	Ring 5 - New Hampshire Prod.
Ring 2 - White Rock "	Ring 6 - White Leg. Breeding Pullets
Ring 3 - White Leg. "	Ring 7 - White Rock Breeding Pullets
Ring 4 - White Rock "	Ring 8 - New Hampshire Breeding Pullets

Egg Grading: 50 eggs graded as A,B,C, or rejects according to U.S. Grades.

Dressed Poultry: 50 dressed birds, 25 fowl and 25 broilers, to be graded according to U.S. Grades.

Live Market Poultry: 20 live market fowl to be graded according to U.S. Grades.

Individual Bird Selection: 20 birds, males or females, White Rocks, Barred Rocks, White Leghorns, Rhode Island Reds and/or New Hampshires to be examined for Disqualifications.

Room reservations have been made for all of the teams at the Sinclair Hotel. We will request from you at a later date, detailed information with regard to the number of rooms and the dates which you wish to have reserved.

We will be looking forward to seeing you and your team in Chicago.

Very truly yours,

Minutes of Coaches Meeting
Intercollegiate Poultry Judging Contest
Chicago, Illinois - St. Clair Hotel
November 29, 1954

Meeting called to order by E. E. Schnetzler, contest manager. Dr. Schnetzler introduced C. L. Haines of Swift and Company, who explained plans for the tour for Wednesday, December 2, starting at 7:00 a.m.

Drawings were made for team assignments, and contest arrangements explained by contest manager.

Moved by Penquite, and seconded by Stadelman that a committee be appointed to study and make recommendations on changes in the "Individual Bird Selection" and "Dressed Market Poultry". Motion carried.

Following a heated discussion on discolorations due to bruises and bleeding, May of Louisiana moved that discolorations be disregarded in judging dressed market birds in the 1954 contest. Motion seconded by Brown of North Carolina; carried.

Moved by Kinder of Missouri and seconded by Stadelman of Washington that all discolorations except skin abrasions be considered in the 1955 contest. Motion carried.

Moved that the decisions of coaches setting up a phase of the contest should be final. Motion seconded and passed.

Subject: Committee Report To
Date on Arrangements

Dear Friend:

Due to our failure to get together for a committee meeting arrangements have been successfully handled through personal contact. Here is a recap of the arrangements and program.

- 1.) The contest will be held on November 30 allowing the entire day and evening of December 1 for the Chicago tour and banquet. Clarence Haines has worked out the plans for the tour assisted by L. G. Neel.
- 2.) The Crystal Room, Hotel Sherman is reserved for the banquet.
- 3.) In line with last year, everyone feels that presenting the awards in advance of the dinner is most successful. Presentation of the awards will start promptly at 6:00 P.M. followed with the banquet at 6:30.
- 4.) Ed Griffin has been 100% successful in getting cooperation from the list of sponsors in helping take care of expenses.
- 5.) Here are the arrangements for the evening program.
 - A. Dr. Cliff Carpenter will serve as Master of Ceremonies.
 - B. The senior coach will be given the honor of presenting the awards to the contestants.
 - C. Bill Diamond will serve as song leader assisted by Betty Young with her accordinian.
- 6.) Bronte Leight of PENB is handling publicity in line with the excellent job that he has done in the past.
- 7.) Snetz reports twenty-one teams will take part in the contest.

Subject: Committee Report To
Date on Arrangements

Dear Friends:

Due to our failure to get together for a committee meeting arrangements have been successfully handled through personal contact. Here is a recap of the arrangements and program.

- 1.) The contest will be held on November 30 allowing the entire day and evening of December 1 for the Chicago tour and banquet. Clarence Haines has worked out the plans for the tour assisted by L. G. Neel.
- 2.) The Crystal Room, Hotel Sherman is reserved for the banquet.
- 3.) In line with last year, everyone feels that presenting the awards in advance of the dinner is most successful. Presentation of the awards will start promptly at 6:00 P.M. followed with the banquet at 6:30.
- 4.) Ed Griffin has been 100% successful in getting cooperation from the list of sponsors in helping take care of expenses.
- 5.) Here are the arrangements for the evening program.
 - A. Dr. Cliff Carpenter will serve as Master of Ceremonies.
 - B. The senior coach will be given the honor of presenting the awards to the contestants.
 - C. Bill Diamond will serve as song leader assisted by Betty Young with her accordion.
- 6.) Pronto Leight of PMHB is handling publicity in line with the excellent job that he has done in the past.
- 7.) Sheet reports twenty-one teams will take part in the contest.

- 8.) Dr. O.B. Kent has asked that the Arrangement Committee give consideration to the handling of the 4-H Poultry Judging Contest next year. Due to our failure to get together as a committee we would like to arrange for a committee meeting as soon as possible to consider the 4-H program.

We will see you next Wednesday evening, December 1 at the Sherman.
